

Dear Valued Guest,

We recognize that you may be concerned regarding the COVID-19 virus as you travel. Please know that at our hotel we have always provided a clean, well maintained environment for your stay. During these difficult times we have increased our emphasis on preventative care.

With industry leading sanitizing techniques to clean guest rooms after each guest stay. We are paying particular attention to high touch point areas in all guestrooms and hotel common areas.

For guests staying multiple nights, room service is not provided. We are happy to provide you with replacement towels, linen, and supplies. Please contact our front desk for assistance.

Additionally, we recognize the importance of providing a quality breakfast and dinner to our hotel guests. Nonetheless, we must be considerate of everyone's safety and recognize the potential risks of the former style of service and current regulations. At the current time we have modified our offerings. Breakfast has some great new hot and cold, Grab & Go selections! Dinner is provided via room service and pick-up only. Give them both a try, you will not be disappointed!

Please know that we value you, and not just your business. We know that you are placing your trust in us by staying at our hotel. You can be assured that we are focused on the health and welfare of us all.

Safe travels,

Joe Baldowin | General Manager | jbaldowin@inntowner.com
